## About Moderno Kitchen

Moderno was first called **Gulf Landmarks**, back in 2018, over the years, the once was called Gulf group interior, re branded to moderno interior. Serves in the field of contractor and interior design with an aim to introduce opportunities for those craving to express creativity without boundaries.

With the base of trust, dependability, quality, curiosity, and customer satisfaction, **Moderno kitchen** becomes one of the best consultant choices for those seeking "out of the box" ideas and design. With over 500 clients along the years ranging from residential, commercials, and offices, **Moderno kitchen** has proven to be the one-stop solution for interior design.

## Our Journey

2018

Started in 2018, Moderno Kitchen was first called Gulf landmarks, and has gone through some major changes. Starting from creating custom made furniture in a small workshop to having its own workshop.

2019

In 2019, Moderno Kitchen has its very first workshop in qatif for building all its interior needs. Moderno Kitchen had gathered over over 100 projects ranging from small projects like renovation to building whole project from zero.

2020

Due to high demands in 2020 and also the size of the workshop in Qatif not suitable enough, Moderno Kitchen began to move its workshop to bigger factory and has been there ever since. In the same year, Gulf landmarks re branded itself to Moderno Kitchen for more simplicity in brand.

**2021 – 2022**

Starting from 2021 to 2022, numerous big projects were handled by Moderno Kitchen from projects such as to big projects like commercial, residential coffe, houses, offices , etc.

**2023**

Throughout the years, Moderno Kitchen has activated its online presence and generated a lot of interest in the interior world. Moderno Kitchen achieved a new milestone in 2023 where it reached over 500 projects and has become the one stop solution for all interior needs. Currently, Moderno Kitchen has majorly been focusing on residential projects due to both the high demand in public and a much more demanding challenge

**2024–NOW**

A man with a beard and safety glasses is using a red orbital sander on a wooden surface in a workshop. He is wearing a dark blue long-sleeved shirt and light blue jeans. In the foreground, another man is partially visible, also wearing safety glasses and holding a green power tool. The background shows a well-lit workshop with various wooden materials and tools.

## Our Workshop

Our workshop is purposely made to fulfill all of our client's interior needs. Moderno kitchens furniture is fully customizable. Years of experience allow us to deliver the highest quality in product and project in time and worth the spend.

Scen Me

## KITCHEN DESIGN

**(Project NO. 379, QATIF)**

During the consultation, Mrs. Yasser expressed her ideas and preferences to the Moderno\_Kitchens team. She was impressed by their attentiveness and their ability to understand her vision. They discussed various design options, materials, and layouts, and together, they created a design that exceeded Mrs. Yasser expectations.

Throughout the design and installation process, the Moderno\_Kitchens team kept Mrs. Yasser updated and involved, ensuring that every detail was to her liking. When the day finally arrived to reveal her new kitchen, Mrs. Yasser was thrilled. The sleek, modern design, coupled with the functionality she needed, made her kitchen a true masterpiece.

Mrs. Yasser was not only delighted with her new kitchen but also with the exceptional service she received from Moderno\_Kitchens. She knew that she had made the right choice and would recommend Moderno\_Kitchens to anyone looking for a kitchen that was not only beautiful but also a joy to use.

## Bedroom Pro.

**(Project NO. 403, Khobar)**

From the initial consultation to the final reveal, at Moderno\_Kitchens worked closely with Mohammad and his wife, understanding their preferences and lifestyle. Together, they selected sumptuous fabrics, elegant furniture, and soothing color palettes that reflected Mohammad's taste and created a sense of tranquility.

The highlight of the design was a bespoke bed frame that was both stylish and functional, providing ample storage without compromising on aesthetics. Mohammad and his wife were thrilled with the result, marveling at how their once ordinary bedroom had been transformed into a luxurious retreat.

Moderno\_Kitchens took pride in exceeding Mohammad and his wife's expectations, delivering a bedroom that we not only met their needs but also surpassed their wildest dreams.

21

## WARDROBE

### (Project NO. 471, Saihat)

Khalid and his wife envisioned a wardrobe that seamlessly blended style and functionality. With Moderno\_Kitchens' expertise, they received a bespoke wardrobe design that not only maximized storage but also added a touch of sophistication to their bedroom.

## VANITY

### (Project NO. 471, Saihat)

Saad, with a keen eye for detail and a taste for luxury, sought a washbasin design that would be the focal point of his bathroom.

We are Moderno\_Kitchens' exquisite collection of washbasin designs exceeded his expectations, offering not just functionality but also a sense of indulgence. The sleek, modern lines and premium finishes transformed Saad's bathroom into a space that exuded elegance and sophistication, reflecting his unique style and personality.

## Living Room

### (Project NO. 504 Saihat)

bu Turki Al Ahmed's mother, a woman of grace and elegance, had always dreamed of a living room that would be a reflection of her warmth and hospitality. With her son's encouragement, she decided to turn her dream into reality and enlisted the help of US.

The design team listened attentively to her vision, understanding her desire for a space that was both welcoming and stylish. They carefully selected furnishings and decor that complemented her taste, creating a living room that exuded charm and sophistication.

When the project was complete, Abu Turki's mother was overjoyed. The living room was more than she had ever imagined, a testament to her son's love and thoughtfulness. It became a place where she could entertain guests with pride, knowing that every detail had been carefully chosen to reflect her personality and style.

## TV Unite

### (Project NO. 507, KHOBAR)

Reema and her husband envisioned a TV unit that would be the focal point of their living room, combining style with functionality.

We are Moderno\_Kitchens' designs offered the perfect solution, with sleek, modern lines and ample storage space. The TV unit became a statement piece in their home, reflecting their shared vision for a space that was both inviting and practical.

## Coffee Corner

**(Project NO. 511, Saihat)**

Youssef wanted to gift his daughter and her husband something special for their birthday, a thoughtful gesture that would bring them joy every day. He decided to create a cozy coffee corner in their home, a place where they could unwind and create lasting memories.

Youssef turned to Moderno\_Kitchens for help, knowing that their designs were not only stylish but also practical. The team worked with him to create a coffee corner that was tailored to his daughter and son-in-law's tastes, with comfortable seating, a stylish coffee maker, and shelves filled with their favorite blends.

When the birthday arrived, Youssef's gift was met with delight and gratitude. The coffee corner became a favorite spot in their home, a place where they could start their day with a cup of coffee and end it with meaningful conversations. Youssef's gift had not only brought them joy but had also brought them closer together, a reminder of his love and thoughtfulness.
